My child would like to be a member of the 2011-2012 Leominster Youth Robotics VEX program. I understand that he/she is making a commitment to his/her teammates and to the program and that there is more involved than just building robots. He/she will be able to participate in most of the team meetings, which may include up to two evenings per week and occasional weekend meetings during the competition season. I understand and accept that there may be additional costs if the team wishes to participate in more than two tournaments. I understand that a refund of 50% of the registration fee will be granted if he/she wishes to leave the program up until October 1<sup>st</sup>, after which date no refunds will be granted.
